**2010 – 2015**

**Strategic Plan**

## **MISSION**

The mission of the Lucas Local School District is to prepare well-rounded, lifelong learners who are able to meet life's challenges.

## **VISION**

The vision of the Lucas Local School District is to provide a 21<sup>st</sup> century, student-centered learning environment where all stakeholders work cooperatively to ensure the highest level of student achievement.

## **BELIEFS**

1. Everyone can learn.
2. Learning is a life-long process.
3. All stakeholders need to have high expectations for learning, but ultimately students are responsible for their own learning.
4. All stakeholders must strive to provide the opportunity and environment for safe, effective learning.
5. Communication is necessary and a shared responsibility among all stakeholders.
6. Our future will be determined by the investment we make in our students.
