

CUB COUNTRY NEWSLETTER

Summer Newsletter 2022 | Volume 17

A MESSAGE FROM THE SUPERINTENDENT

Welcome to the summer edition of the Cub Country newsletter and the celebration of our students and district for the 2021-2022 school year. Throughout these pages, readers will enjoy the many wonderful accomplishments of our students this year. While this past year brought continued unique challenges related to the pandemic, we can be proud and thankful for our amazing students and our great community.

Our district vision is Pursuing Excellence: Every Child.

Every Day. The establishment of our Extended Learning program is a great example of this commitment to our students. We have had great success setting up our new learning lab during the 2021-2022 school year. This year we were able to dedicate two full-time teachers to assist students in grades K-5. Our learning lab teachers were able to service over 55 students daily. These students were able to experience practical, multi-sensory, hands-on instruction in either a small group or one-on-one setting. Students in this program have exhibited amazing growth in addition to their regular classroom activities through

reinforcement and the teaching of learning skills. With this success, we are adding additional teaching support to the Extended Learning program for next school year to cover a broader content range and service more students.

Extended Learning is just one example of the great things happening in our schools, and we know many community members enjoy these periodic newsletters to read about these great things. Community members are also encouraged to access our district Information Hub (info.lucascubs.org) or follow us on Facebook ([@lucaslocalschools](https://www.facebook.com/lucaslocalschools)) to stay up-to-date on the latest news and information from our school district.

Again, our students and our community are truly amazing. Take pride and enjoy the articles and information found within the pages of this newsletter. Have a great and relaxing Summer!

Go Cubs!

Honorable Mention- Hunter Rice, Bobby Grover

The Lucas Baseball team had another great season and picked up their 2nd straight conference title. The Cubs will lose 3 seniors to graduation (Hunter Rice, Patrick Bichsel, and Zach Tackett) and they will be missed but the Cubs look to have another successful season next year with quite a few returning starters.

Softball 5-13 (3-4)

MBC 1st team- Tori Sauder, Alyssa Shay
MBC 2nd - Marissa Caugherty
MBC Honorable Mention- Maddie Boyer
The Softball had a tough spring as the weather did them no favors!! The girls battled hard and ended up traveling away for most of their games due to weather and field conditions. Senior Tori Sauder finished out a great career and will be missed next year. Only losing 1 senior the Lady Cubs will look to bounce back next year with several returning starters.

Track and Field

The Track and Field team had a great year setting many school records in many different events. The team had a great mix of senior leadership and young talent. The Track and Field team sent an impressive 5 athletes to the Regionals this year and has Senior Grant Barrett and Junior Shelby Grover still going as they will travel to Ohio State for the

State Meet. See Below for some of the impressive accomplishments this year.

Summer has arrived and it means the conclusion of another busy Lions year.

Because of the exceptional Class of 2022 and since the Lions club had a really good fund raising year, six rather than three academic scholarship were announced at the Awards Assembly. The \$500 awards will be given to each student at the successful completion of the first semester in college. See the names of the recipients in another section of this newsletter.

The same day four outstanding fifth graders received the "Good T-shirt" for their success. This award goes to two girls and two boys for good attendance, good citizenship, good listening skills and just all around good kids. Look for those bright yellow shirts being worn by well deserving students Kenzie Dech, Zell Finley, Desiree McCune and Stuart Smith.
