

LUCAS LEO CLUB FEBRUARY 2018

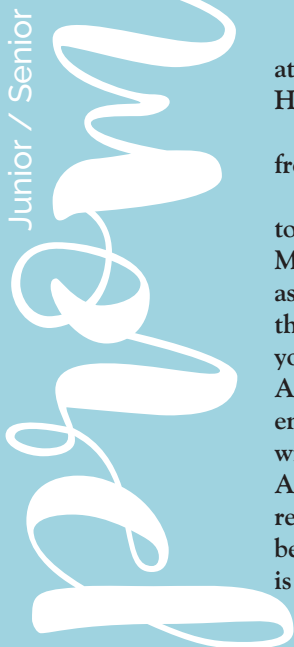

The Lucas Leo Club has been very busy this winter with two major service projects to help support the Lucas Area Food Pantry. In November, the Leos held a toilet paper drive, and collected 1125 rolls of toilet paper which were donated to the Food Pantry. Ms. Robison's and Mrs. Secrist's classes were the winners of a pizza party for collecting the most toilet paper.

In December the Leo Club helped put on their 8th annual Christmas Spectacular Craft Show, which raised \$883.73 for the Food Pantry. A big thanks goes out to everyone who helped make the show a huge success, and especially to Stephanie Lee for organizing all of the vendors, and to Santa and Mrs. Claus for taking time out of their busy schedule to make an appearance, and to Leo Club president Jaret Westfield, and all the Leos, and finally to all those shoppers who came out on a chilly winter day!

Looking ahead to Spring, bring the kids down to the Easter Egg Hunt, to be held on Saturday March 31st, where the Leo Club will again be assisting the Easter Bunny! The Leo Club is always looking for new members, and if you are interested, you can get an application at the High School office or from any Leo Club member. Remember LEO stands for Leadership, Experience, and Opportunity!

Prom will be held Saturday, April 28th, 2018 at Kingwood Center in Mansfield, in the Carriage House.

Grand March will begin at 7, followed by dinner from 7:30-8:30, with the dance 8:30-11pm.

Attendees, family, and friends, are encouraged to arrive early for group pictures before Grand March. We are also asking that you please carpool as parking may be limited. Guests must show their ticket to the Gate Attendant to prove that you are with the Lucas Prom for free entrance. Anyone without a ticket will have to pay a reduced entrance fee of \$3, you must tell them you are with the Lucas Prom. Tickets will be available April 16th - 20th for \$30 per person. Students are reminded that all class dues and school fees must be paid in order to purchase tickets. If a student is bringing an out of school guest, they will need

to obtain an out of school guest form from the office prior to purchasing tickets. Prom royalty voting will take place during class meetings on April 18th.

After prom will be held at the Altitude Trampoline Park in Mansfield from 11:30pm-1:30am. Attendees will have use of the entire facility, liability waiver forms will need to be filled out in advance to purchasing tickets. Those attending Prom & After Prom are strongly encouraged to bring clothes to change into at the Prom location or the Trampoline Park. Students not attending prom may attend after prom for just \$10. Parents are needed to chaperone this event.

Lucas High School Student Council has been working hard to impact the lives of others! The club sponsored three giving tags during the Christmas season, donated a portion of raised funds to the high school principals fund, donated a portion of funds raised to the Reaching Out shelter and collected toiletries for the blessings bags handed out at the shelter.

Mr. Radd's Science Class & Their Egg Drop Experiment

I BELIEVE... That You Should Join FFA

I am very grateful to be part of the National FFA Organization, and for the opportunities it's given me throughout high school and college. When I joined the Lucas FFA chapter my freshman year of high school, I didn't know what to expect or how it would make such an impact on my life. I've went to Indianapolis and Louisville, listened to a number of inspirational speakers, met an Ohio State Senator and hundreds of other students from around the US, and competed in state and national competitions. I believe that any student can find something they're looking for in the Lucas FFA chapter, whether you want to take animals to the fair, meet new people, or learn more about the food you consume every day.

I'm currently a senior at Capital University, pursuing a career in accounting. Through public speaking competitions and record keeping for FFA projects, I've even gained skills to help me in the accounting field! I always loved going to the college and career fairs at the state and national conventions, but one of my favorite parts was the food (Mr. Wolf knows all the best places!) Honestly, joining the Lucas FFA chapter was one of the best things I've ever done. You don't have to keep a cow in your backyard to appreciate the many opportunities it has to offer. Overall, FFA has made a huge impact on my life and I believe that it can do the same for any student who's willing to give it a try.

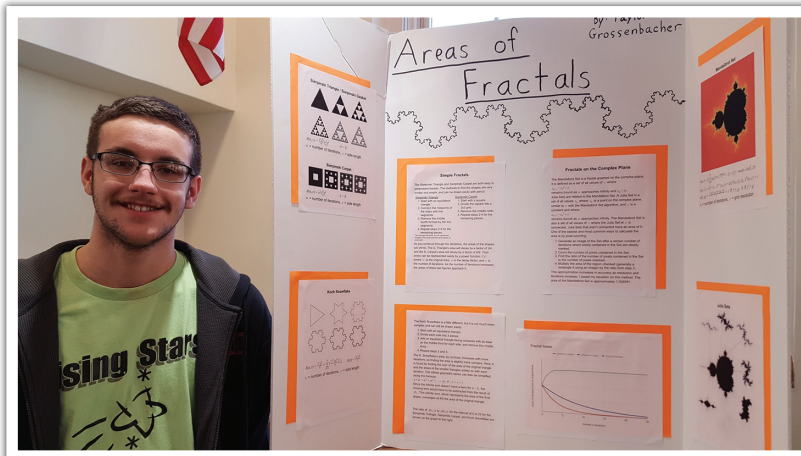

Christine

MATH NEWS

Since the last Newsletter, the Lucas Math 1110 students and a few others have continued to compete in the monthly OHML contests. With four competitions completed, the Cubs have been very competitive locally and across the state. We are leading Lexington and Shelby and are trailing Ashland. There are two competitions remaining. Our team leaders with their cumulative points are Taylor Grossenbacher (11), Carson Hauger (10), Riley Mounts (9), Gabe Sieving (9), Jolie Booker (8), Annabelle Chen (8), Vanessa Grant (8), Tristen Arnold (7) and Morgan Sweat (7).

On February 24th about 35 of our students will be competing in the annual Ohio Council of Teachers of Mathematics Tournament at Ashland University. Last

year Lucas did very well and expects to do even better this year since nearly all of last

year's top scorers will be competing this year.

We are thankful for the Lucas Sustaining Fund for financially supporting these endeavors.

On another note Taylor Grossenbacher received honors credit in Math 1110 from North Carolina State for his efforts on a project involving areas of fractals. About twenty-five hours of work and research beyond the regular class studies was required. He presented his project with his poster to the senior citizens at the monthly breakfast in December.

Additionally, midsummer Taylor has been selected to participate in The National Leadership Forum at Georgia Tech University. This week long program is called Engineering and Technology. It is very exciting for Taylor to have this opportunity.

Lucas Branch Library

*T*hank you all for participating in the Winter Reading Program at your Lucas Branch Library. Some of you even won gift cards! Most importantly, you all read a great number of books. We really appreciate this community's dedication to reading and learning about new things.

We recently upgraded our photo copier services at the branch and we're really excited about the new amenities available at your fingertips. We can now produce vibrant, full-color copies on 8.5 x 11 or 11 by 17 inch paper for 50 cents per image. Our new machine also scans and emails for no cost at all. Images can be saved or retrieved using a USB flash drive. We also just reduced our fax fees down to \$1 per fax no matter how many pages. So make sure to visit your branch library for your fax, printing, scanning and copy needs.

Adults and teens won't want to miss our new "Escape Room" program on Monday, April 23. Search for clues, find hidden messages and solve the mystery before time runs out! Space is limited so make sure to sign up at the branch or online. Kids in grades 4-12 will also enjoy our second "Memory Game Tournament." Test your skills for memorization and win prizes on Monday, March 26.

Children of all ages will want to participate in our "Library Luau" on Tuesday, March 13. Beat the winter blues with some colorful, sunny festivities and tropical cheer.

And don't forget our regular monthly programs including

Euchre Night (for adults and teens), Minecraft Club (for kids in grades 3 and up), Brick Builders Lego® Club (for children in grades K through 5) and our Perler Parties (for children in grades K through 5).

Our Bromfield Book Club, in collaboration with Malabar Farm State Park, is also a regular event available for adults and teens. We meet at the Visitor's Center at Malabar on the first Monday of each month and discuss a book by Louis Bromfield or something related to local history. This club has been going strong for over three years now! We've read everything Bromfield published and will be starting over with his early books in spring 2018.

You can find a full schedule of programs for all locations of the Mansfield/Richland County Library on our website at www.mrcpl.org or stop by the branch for a copy. You can even register for programs and events online now. We hope to see you soon at the Lucas Branch Library!

The Lucas Area Food Pantry

December at the pantry Santa was there!

The children received Beanie Babies (which were a donation), and candy canes from Santa. Santa's helper gave out winter hats and gloves, then the children were able to choose books from the Little Red Bookshelf, next there was a table set up just for the children to color nativity coloring pages and enjoy some hot chocolate and cookies.

Children and adults had their pictures taken with Santa.

LAFP Statistics for 2017 are as follows...

of families receiving food = 2,947

of people receiving food = 8,841

In 2017 LAFP gave out enough food for over 79,569 meals

Volunteers needed on Fridays about
 $25 \times 2 = 50$

Volunteers needed on Saturdays
 $35 \times 2 = 70$

We have two distributions each month so volunteers needed for the month is about 120.

About 1/3 of our volunteers are also clients who want to give back in a way that they can for what they receive.

If you would like to volunteer on a Friday or a Saturday please call for information...419-589-9776

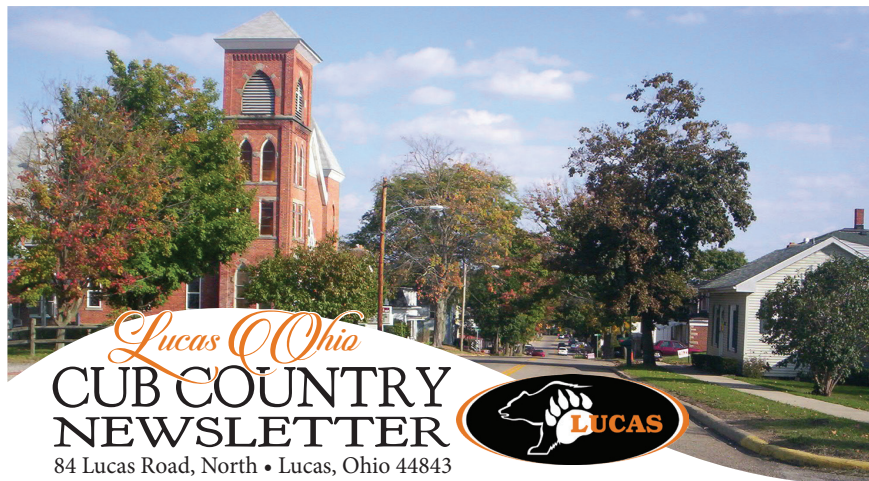

If you would like to send a donation, please send it to...

Gina Gerich - LAFP treasurer
1014 Chew Rd. Mansfield, OH 44903

We want to thank everyone for your thoughts, prayers and donations, they are what keep us being able to help those in need.

It takes all of us to be able to do this work.

Thank you Lucas and the Churches of LAMA.
