“THE CUB WAY” CITIZENSHIP AWARD

Presented to students who live “The Cub Way” by showing respect for fellow students, family, self, school and community:
Zachery Janeczek, Caroline Secrist, Leah Case, Ruby Conn, Devyn McGugin.

The FCS child development class made tie blankets to send to Project Linus. Project Linus sends blankets to children ages 0-18 years old in the United States who are seriously ill, traumatized, or otherwise in need. Thank you to the Lucas sustaining fund for helping make this happen! We were able to donate 9 blankets this year.

FCCLA students: Amaya Howard, Adelyn Hauger, and Isabell Iceman receive their FACTS project award at the State Leadership Conference.

Cleveland Museum of Art!

This spring was busy for arts students in Lucas. In March, high school art students spent the day at the Cleveland Museum of Art. The Mid-Ohio Educational Service Center also held their week long Art-A-Palooza show. There, E. Daley won the "Rising Star" award for a student who shows promise to pursue a career in the arts. In April, advanced senior art students created a piece of art that will be displayed as part of the Muskingum Watershed Conservancy District's trail promotion program. The LHS artwork is a large piece featuring two blue jays. It will be displayed at Charles Mill Lake Park this summer. If you spot it, you can be entered to win prizes from MWCD. Finally, on May 10, district art and music students showcased their work on our second annual arts night. If you missed the show, be sure to visit us next year!

Grade 4 Social Studies

Mrs. Wilson from Directions Credit Union joined our 4th grade Social Studies classes for 5 weeks every Friday starting after spring break to present a hands-on introduction to economics. The students learned a range of knowledge from how to make a savings plan and using a SMART goal to achieve it. She ended her visit with a LIFE SIZE game of Life to learn about money!

Summer Reading Program

Mrs. Butz from the Lucas Branch of the Mansfield-Richland County Public Library visited the elementary school classrooms to kick off this year's Summer Reading Program. We hope our students are enjoying this year's program.

5TH GRADE GOOD AWARD

(Good Attendance, Good Listening Skills, Good Work, Habits, Good Citizenship)

- Hunter Foss
- Mylah McKenn
- Theodore Wojciechowski
- Kate Trumpower

First Graders took the last quarter of the year to study fairy tales such as The 3 Billy Goats Gruff, Goldilocks and the Three Bears, Little Red Riding Hood, Rapunzel, The Three Pigs, The Ugly Duckling, Cinderella, Jack and the Beanstalk, and Hansel and Gretel. The students compared and contrasted the different versions of each story and listed the story elements of each. To complete their unit, they conducted a reader's theatre for the parents to watch. The students did a nice job using fluency and expression while reading their part. After the show, the first-grade kingdoms joined in the cafeteria for a snack to celebrate their amazing reading skills!

Lucas's K-7 students enjoyed their annual Field Day as they spent time outside rotating through various stations bringing team building and collaborative activities.

TRACK & FIELD

The Lucas Boys and Girls track team had great seasons this spring. The Boys finished runner up in the MBC and sent a 4x400 team to the Regional meet in Heath.

The Girls had a great season as they were able to pick up an MBC conference team title. From there we sent 4 girls to Regionals and 2 onto the State meet in Columbus at Ohio State.

MBC Runner of the year- Ray Lewis 4x400 Regional relay team- Gavin Bichsel, Zach Diehl, Logan Toms, Jadon Walter

Longjump

Polevault

MBC Girls Coach of the Year- Spencer Adams

Chloe Sturts- Regional qualifier in the 800M

Maggie Restelli- Regional qualifier in the Long Jump

Rebekah Case- State qualifier in the Pole Vault (Placed 6th at the state meet)

Shelby Grover- State qualifier in Long Jump, High Jump, 100H, and 300H.

**with Shelby and Rebekah's performances at the state meet our Lucas Team placed 4th in the state at the State meet.*

Senior Shelby Grover- Shelby Grover capped her historic HS career at the state meet in Columbus at Ohio State as she competed in 4 events. She finished 6th in the High Jump, 3rd in the 300H, 2nd in the 100H, and State Champion in the Long Jump.

The Softball team had a season with some ups and downs but the Lady Cubs finished with a record of 9-12 (6-2). Going 6-2 in league play was good enough for the Lady Cubs to finish as runner up in the MBC. The Lady Cubs were able to pick up a sectional tournament victory when they knocked off Norwalk St. Paul 9-3 in Lucas before falling to South Central in the Sectional Final. The Lady Cubs will also have to fill some big shoes next year as they will lose some key players to graduation. Seniors Tailor Camp, Marissa Caugherty, Isabel Alt, and Sydnee Blackledge will be missed next year. Senior Isabel Alt- Isabel hit for the cycle in a game at home on 4/18 against Mount Gilead where the Lady Cubs picked up a 17-5 Victory.

SENIORS – Andrew Smollen, Andrew Fanello, Hunter Church, and Corbin Toms.

Senior Andrew Smollen- Pitcher Andrew Smollen had a great career and season this year as he was able to break the school record for Strike outs in a season. Andrew broke the record that was held by Brad Swank, the new record is now 135 K's in a season.

BASEBALL

The Lucas Baseball team had another great season this spring as they shared the MBC conference championship with Loudonville. The Cubs finished the season with an impressive record of 16-6 (7-1). The Cubs would pick up a Sectional title as they knocked off New London 12- 0 in the sectional championship game. The Cubs had a great season and will lose some great Seniors to graduation as they will have some big holes to fill next season.

LIFEWISE ACADEMY FINISHES THE YEAR STRONG!

LifeWise Academy Lucas finishes the year with many activities! LifeWise students learned in their final classes about reliability and perseverance through the stories of Jesus' ascension and the disciples sharing the gospel to the world with the help of the Holy Spirit. Students shared songs with motions, Bible Verses, and the colors of the salvation story with parents and the community at a program at Grace Bible Church in the evening of May 22. LifeWise will continue at Lucas schools next year. Students who were registered this year do not need to register with LifeWise again. We are looking to expand to 6th and 7th grade next year starting at the beginning of the year. Details are still being worked out. The high school LifeWise Program is looking to start the second semester for next year. Watch for more details about LifeWise in grades 6-12 to come! LifeWise Academy continues to have awesome support from the community. The Lucas Community Center was the site for the LifeWise Evening of Impact Celebration on May 9. Hanley Hall was filled with staff and community members for a delicious dinner catered by Port A Cook, a silent auction, and a program to celebrate LifeWise Academy Lucas this year. The staff of LifeWise Academy Lucas thanks the community of Lucas for all of their support.

Lucas Lions

Did you attend the mental health Town Hall at the LCC on May 18th? If not, you missed a good one and if you did you came away with new knowledge and some tools to deal with this overwhelming drug problem invading our society and challenging our youth.

Awards Day in Lucas Schools was June 1. "Good T-shirts" went to Hunter Foss, T.J. Wojciechowski, Mylah McKenna and Kate Trumpower all 5th graders who have shown qualities for good student, good citizen and good friend. If you see these bright yellow shirts being worn out and about, congratulate the student for this outstanding achievement.

The afternoon of the same day was the assembly for the middle school and high school kids. Our Lions scholarships were given in the name of past members and went to the following graduation seniors: Joan Berry presented her father, Duane's, to Sydnee Blackledge while the current member Bill McFarland gave the Charlotte and Richard McFarland award to Emily Daley. The Richard Arehart scholarship presented by Lion Jim Roland was awarded to Jadon Walter. Andrew Fanello was chosen as the alternate. All of these scholarships are \$1000. given to each student at the successful completion of their first college semester.

We are proud to be able to help these students as they pursue their further education. June also saw the installation of new officers of the club. Dan Smith will serve as president and his outstanding list of officers will begin another successful Lions year in mid June. The teams first challenge is the Annual Duck Race at the park on August 17. The entire community is invited to enjoy the free picnic food and have the chance to purchase the winning duck racing down the flowing stream. And this celebration will be even bigger since this commemorates the 70 years of Lions being a part of the Lucas community. Plan on spending the late afternoon with us and look forward to the impact Lucas Lions will have on our fine community for hopefully the next 70 years.

LUCAS AREA FOOD PANTRY

We do a drive thru distribution of food on the 2nd and 4th Saturdays of the month. In November and December we only do one distribution on the 3rd Saturday. We give out enough food for at least 3 full days. The area that we serve are the townships of Mifflin, Monroe, Washington and Madison. In the spring Meijer Made our pantry one that they support. The community has been very helpful with giving through Meijer, and for some of the donations Meijer doubles the amount.

This donation helps us give a larger variety of food.

A Thank you goes to Firelands Electric for a grant that they gave us to replace the freezer door. All of our income is through donations, grants are helpful so that our income can be used for purchase of food.

It takes a lot of volunteers to run the pantry and we are grateful for everyone.
