FALL NEWSLETTER 2018-2019 • VOL 4

A MESSAGE FROM THE SUPERINTENDENT

The Holiday season is upon us! Please review the many exciting activities happening at Lucas Local Schools this Holiday season. The Holiday season also brings winter weather with it. For this purpose, we have included the various ways to stay in touch regarding school closings and delays. While on the topic of sharing information, our Board of Education has begun working with Garmann/Miller Architects-Engineers to develop a feasibility plan related to school facility improvements and renovations. The Board of Education has planned for a discussion regarding this feasibility plan to occur during the Tuesday, January 8, 2019 board meeting at 6:00pm. We welcome the community to attend and hear the interesting discussion about possible facility projects at Lucas Local Schools.

Finally, I want to wish everyone a Happy Holidays, and I wish you and your families well as we enter a new year!

Sincerely,
Bradley A. Herman
Superintendent

We currently have a system in place called "One Call Now" in which all student numbers are in our calling system.

When school has been cancelled or delayed, a call will be sent out to your primary contact number included in your child's records. If you do not receive a call, please contact the office where your child attends to update your information.

Learning About Saving

The winning artists of this year's Lucas Lion Club Peace Poster 7th Grade art contest. This year's theme was "Kindness Matters".

Ms. Otero's second graders enjoyed a visit by Michelle Caudill and Brian Foltz, of U.S. Bank. They presented an interesting lesson about the value of coins, the need to save money and the importance of keeping our money in a safe place.

The children had a great time listening, learning and sharing experiences of spending and saving with our guests.

Each child received a goodie bag filled with worksheets and puzzles and learning about the importance of saving money.

Unlocking Life's Possibilities

The Lucas FCCLA had the privilege of hosting the key note speaker Ms. Jena Hendershott at the 2018 district leadership conference.

The students learned key elements in how to truly believe in themselves to unlock all of life's possibilities!

Focusing on Academics

Mr. Marsano led the middle school first quarter class meetings focusing on competitive academics. We love seeing our sports teams on top.

Now we want to focus on seeing our academic achievement on top as well.

WINTER MUSIC PERFORMANCES

Be sure to join the Lucas kindergarten, 1st, and 2nd grades for the singing of Christmas carols at the annual Tree Lighting Ceremony at the intersection of Main and Union streets on Monday, December 3rd at 6:00 pm. Come join us and warm up with some hot chocolate and good old fashioned holiday cheer!

All high school instrumental and vocal ensembles are holding their Winter Concert this year at 7:30 pm on Thursday, December 20th within the cozy comfort of the high school band room. Students will be playing and singing a variety of small ensemble songs in a small, intimate setting to match. Please come and enjoy a relaxing evening of music along with some tasty holiday treats!

Junior ACT Statewide Testing

All of our juniors, including those at Pioneer, will take the ACT test on Wednesday, February 20th at the Mid-Ohio Educational Service Center. There is no cost for this test. Our counselor

will take care of registering all juniors before the test so students and parents will not have to go to the ACT student site. ACT does have a new resource called ACT Academy that we strongly

encourage everyone who is planning on taking the ACT to use. It is a free site and has test prep questions and many other resources.

The website is <https://academy.act.org>

LUCAS AREA FOOD PANTRY

December 2018

If you have some winter coats, hats, gloves etc. that are still in good shape how about sharing them with someone who has none through the LAFP?

The other day I was speaking with someone and they asked about donating. They asked if it was better to give food or to donate money? We appreciate both With Food donations we get a variety. With monetary donations through the GCFB every \$1.00 donated has the approximate value of \$15.00 Through Meijer "Simply Give" your donation is tripled and several other corporate type donations are included in that program.

Our primary goal is to give food to those in need, but hygiene and paper

products are also very important. It's important to keep our body clean as well as keeping nutritious food in the tummy. The help we receive from all of you with hygiene items is greatly appreciated.

The Leo Lions have been doing a great job each year by sponsoring a toilet paper drive within the Lucas School system! We just received over 500 rolls of toilet paper from this event which will be given out at the Thanksgiving and Christmas distributions. The Leo's also sponsor a craft show with the proceeds given to the LAFP which has been over \$1000.00 each year. This year the craft event is Saturday, December 8th from 9 am - 3 pm. Please come and support the Leo's, the pantry and the crafters. FYI, we have some local Lucas people

participating in the craft show...
Thanks Leo's!!!!

The Senior Citizen group of Lucas is collecting toothbrushes and toothpaste in time for our Thanksgiving distribution...*Thank you Senior Citizens of Lucas!!!*

Speaking of the Holiday's, through Meijer "Simply Give" we are able to give Turkeys for Thanksgiving and Hams for Christmas. *Thank you Meijer!!!*

If you would like to send a donation, please send it to...

Gina Gerich - LAFP treasurer
1014 Chew Rd. Mansfield, OH 44903

We are now in our 10th year of serving those in need.

Thank you volunteers and all of Lucas!!!

PROVIDING A WELCOMING ENVIRONMENT THAT OFFERS HOPE AND JOY TO ENRICH LIVES

Richland County will be observing the International Day of Giving on November 27, 2018. The Lucas Community Center would like to encourage all Lucas residents and their family and friends to participate in this opportunity to support our wonderful community center. The Richland County Foundation through Richland Gives sponsors the day to build capacity, grow philanthropy and make the community stronger. In 2017, the LCC participated in this event, for the first time, and to our amazement we raised a total

of \$10,895 coming in second place behind Little Buckeye Children’s Museum.

Donations through Richland Gives started counting on November 1, but we would encourage everyone to give during the exciting Giving Tuesday event on November 27, when advantageous bonuses can be earned. Donations must be processed through <http://www.richlandgives.mightycause.com> You can find the LCC by searching for Lucas Community Center in the search bar at the top right of the page or by following the links

on the LCC website, Facebook, Twitter, or Instagram. Richland Gives only accepts credit card donations. If you would prefer to write a check, an LCC board member will be happy to deposit your check in the LCC account to be applied during the event.

Board Members: Bill Zirzow, Mark Masters, Carrie Fanello, Amity Arnold, Wayne Presnell, Dallas Waggle and Margaret Martin.

Please help The Lucas Community Center reach for the top as the Small Community with the BIG heart.
