Please type or print application neatly. Applicants need to **attach a transcript** from the academic institution they are currently attending and **one letter of recommendation** from someone other than a relative (example: a teacher, pastor, advisor, employer, etc).

Applicants can feel free to attach additional pages if they need more than the space provided. A Word version may also be emailed to an applicant by request. Applicants may also reproduce the application on a word processor as long as the questions are worded exactly as they are on this form.

Applications are due to the Farm Bureau office no later than March 10, 2010. Recipients will be notified by mail later in 2008.

Scholarship winners that are seniors in high school will receive their award after completion of their first grading period. The youth that receives the award for a college student will receive his/her scholarship after their next quarter/semester of classes. All recipients must have a 2.5 GPA (or equivalent on a 4.0 scale) during that grading period in college. Recipients will also need to produce proof that the student is enrolled as a full-time student for the next grading period

Recipients will be given three tickets to attend the Richland County Farm Bureau annual meeting to be recognized. The annual meeting will be held in September.
