

CUB COUNTRY NEWSLETTER

SUMMER 2020-2021: VOLUME 14

Message from the Superintendent

Brad Herman
Superintendent

Summer is here! This edition of the Cub Country newsletter focuses on celebrating our students and their accomplishments from the 2020-2021 school year. The school year presented unique challenges as we all faced a global pandemic. I want to express my appreciation of the community-wide collaborative effort to make this past school year a success.

I am hopeful we can return so some semblance of normalcy for the 2021- 2022 school year. I think we can all agree an end to the constant temperature checks and need for face coverings would be a nice change of pace.

During this past school year, we have discovered some practices that we plan to preserve going forward, with some examples being enhanced cleaning and disinfecting practices, and revised arrival/dismissal procedures.

With the needed changes to meet health and safety protocols this past school year, I realized when we confront adversity, the enhancements and new opportunities that develop are amazing. A few weeks ago, I ran across a fitting and simple quote.

**“Fear Everything and Run or
Face Everything and Rise.”**

These words ring true in Lucas. While many times it is easier to fear and run, facing adversity and rising to the challenge is commendable. Our students, their families, our staff, and this fine community have “faced” this global pandemic together. The hard work of everyone has paid off.

As I stated earlier, within the pages of this newsletter, we celebrate our fine students because they have “risen” to find academic success. Our community is amazing and our students are equally amazing!

Have a great Summer and stay safe.

Brad Herman, Superintendent

High School News

These are class projects done by the High School Manufacturing Class for a community member and the school.

The first picture is a wedding arch designed and constructed for Officer Vanhouten, our school resource officer. (photo order: Eric Barrino, Andrew Smollen, Officer Van Houten, Kaden Young and Mason Kendall)

The second is a display case for the bear cub that was donated to the school. (photo order: Kaden Young, Andrew Smollen, Eric Barrino and Mason Kendall)

LUCAS FFA | In the FFA program we started a woodworking project. We started learning about woodworking safety and then began our projects. We started the project by planning what we wanted it to look like. We are working on cutting boards by cutting different types of wood, gluing them together, then hand planing and sanding mechanically and also by hand. To finish up this project we will put a finish on it that will protect it from water. If students get done with enough time they have the opportunity to start a paper towel holder also. Woodworking gives us knowledge about safety and the process of assembling wood items, also we get to enjoy it by making something fun and useful.

Before spring break and for a short time after we started outdoor landscaping with the FCCLA group. Our goal was to make the school more presentable and also learn how to do some simple yard work. During the time we spent outside we learned about trimming bushes, mulching, watering, pulling weeds and old trees and bushes and some of us learned to drive a tractor. All students had the opportunity to have Mr. Dotson teach them how to operate a tractor. The students who chose to learn really enjoyed learning how to drive the tractor. We are proud of our work and cannot wait to see how everyone thinks of it. We thank everyone who helped us with this project and we cannot wait to see what next year brings.

The Mechanical Principles class has been working on creating a mobile chicken coop. The idea behind it being mobile is so that it can be transported throughout the changing seasons and not be damaged by weather. The design started with a 6.5 by 12 foot trailer to hold a 6.5 by 12 by 8 foot chicken coop. Giving enough room for the chickens but, yet light enough for easy maneuverability.

The Lucas FFA Alumni is having a Consignment Sale / Online Auction during the month of July. Items can be dropped off at the Lucas High School Ag shop door (in back of the school) on July 5th. We will take items on July 6th as well, but please call ahead so we can plan accordingly (419) 561 - 1447. The items that you drop off can either be donated or consigned for a 20% fee on the final profit (we will only consign large items or items with an approximate value of \$500). The online bidding should go live around July 26th and we hope everyone gets on to bid. For any questions please contact Matt Dotson at the number above.

Alexa Fulk was awarded the Franklin B Walters Scholarship. Her positive impact person was Lucas Math Teacher, Mr. Richard Hall.

High School Art Contest Winners:

Fifteen students were selected to represent Lucas at the 2021 Art-a-Palooza Art show held at Mid-Ohio Educational Service Center. During the juried show two Lucas students, Thalia Kurtzman and Carmella Desterhaft, received honorable mention awards for their artworks. Gabrielle Smith, Kylie Collins, Marissa Caugherty, Rylie Lane, Tailor Camp, Andrew Westfield, Jadon Walter, Ty Lehnhart, Adam Henk, Alli Putman, and MK Rannigan, along with Morgan and Kendall Guegold also displayed their works.

In addition, senior Gabrielle Smith was selected as the overall high school winner for this year's Richland

County Recycling Calendar art contest. Works by Andrew Westfield and Emily Daley also appear in the Calendar.

From Left: Carmella Desterhaft, Andrew Westfield, Emily Daley, Gabrielle Smith.

**CONGRATULATIONS
TO THE GRADUATING
CLASS OF 2021**

Free Little Library Installed in Lucas Park

The Mansfield Richland County Library has recently installed a Free Little Library in the Lucas-Monroe Township Memorial Park. When contacted by the Library, the Park administration was pleased to have the opportunity to host this opportunity to encourage kids (and adults) reading.

The Free Little Library is located along the concrete ramp leading from the parking lot to the picnic grounds. The Library will periodically stock the box with their excess volumes. The rules for using the facility are simple:

You are welcome to take a book you want to read

You do not need to return the books

If you have excess books at home you'd like to make available to others, you are welcome to put them in the library box

The Park Board and the Library hope you use and enjoy this additional source of supporting reading by our youth.

Are you looking for a quality early childhood education experience for your child?

Book a tour to see our child and family friendly facility as well as meet our qualified and caring team. Our mission is to provide quality care and education for children in partnership with families and the community.

Program services include Child Care, Early Head Start, and ODE Preschool. Enrolling prenatal-Kindergarten entry!

SCHEDULE A TOUR TODAY!

2441 Kenwood Circle, Mansfield, OH 44906

CALL: 419.755.5600

The Lucas Area Historical Society is compiling a record of past and present military veterans from Lucas or Monroe Township. If you or someone in your family served our country, please submit the veteran's name, branch and time of service, rank, where he/she served and a photo, if possible, in uniform, to the Lucas Area Historical Society, 2483 Moffett Road, Lucas, OH 44843. Include your contact information. Your photos can be copied and returned if desired.

The Society meets the second Monday of each month at 7 p.m. usually at the Lucas Community Center. We welcome all, young and older, who are interested in helping us to conserve our area's history.

The Lucas Lions Club: The end of the school year provided the opportunity to recognize special 5th graders and 3 graduating seniors. The GOOD AWARD for good listening, good grades and good citizenship went to Riley, Kaedin, Kayden and Andrew. Their full names are listed elsewhere in this publication. It is always a proud moment to see those yellow t-shirts being worn out and about in the community.

The seniors receiving scholarships came from the Duane Berry funds for Emma Stacy, the Richard and Charlotte McFarland scholarship to Abby Smith and Ethan Sauder was the recipient of the Richard Arehart money.

We are approaching summer in a positive way hoping the Community Picnic/Duck Race will take place on the 19th of August at the village park. Put it on your calendar and cross your fingers. And also hoping to participate in the Heritage Days celebration at Malabar Farm and Prairie Peddler later in the fall season.

And speaking of Malabar, are you aware you can purchase beef and pork raised on the farm and available at the Gift Shop? And when fall comes there should be farm fresh eggs available. And real proof the world is returning to life, Malabar Inn should be open by the time you are reading this newsletter.

With the addition of our new Lions members we will be able to serve this awesome community in ever more innovative ways.

A little information about the Lucas Area Food Pantry.

It is under the guidance of LAMA (Lucas Area Ministerial Association), there are 6 churches involved. Volunteers come from all of the churches plus interested community members. They help keep everything running smoothly. as the director I am thankful for them every time.

Our food that we distribute comes from The Greater Cleveland Area Food Bank. We also receive food from Meijer through their "Simply gives" program.

Our income is through donations and sometimes we receive special grants. Anyone wanting to donate can send to Gina Gerich 1014 Chew Road Mansfield 44903

Have a great Summer and Thank you for supporting the Lucas Area food Pantry. Janet McGugin

The LCC has a fresh coat of paint and is ready for your upcoming events. **Call 567-483-0001** and leave a message. Our new **outdoor band stage** is under construction. Have your favorite band call to reserve a concert time. New **outdoor playground equipment** will be installed the middle of August. Both projects received monies from grants written for Capital Improvement through the Ohio Department of Natural Resources.

Save the date: September 4th The 8th Annual Car Show and Silent Auction will be held from 11- 4. In the evening the Lucas High School Alumni and Community event from 7 - 10 pm will feature the "Bow Band" on our brand new outdoor band stage. Visiting in Hanley Hall with free drinks and hors d'oeuvres. Music and dancing outside. Volleyball, pickleball and playground all available for guests.

YMCA exercise FREE with Amy Moore from the YMCA. Strength and Endurance on Tuesday & Thursday 9:30 - 10:30 am and Core Floor Exercises on Friday 9:30 - 10:15 am - bring a mat on Friday.

Lions Club 1st and 3rd Thursday at 6:30 pm

LAMA 2nd Wednesday 9:00 am

Cards every Monday 7 - 9 pm

Food Pantry Sat. 9-11 am June 12 and 26, July 10 and 24, August 14 and 28, September 11 and 25.

Open Door Cafe' - Brenda's specials are posted on our sign and Facebook - Come and enjoy!

Senior citizens or Homebound may call Kelli at 419-892-3000 for **FREE delivery M, W, F 3-5 pm!**

Remember to use AmazonSmile for your online purchases and mark the Lucas Community Center for your charity donation! Thank you!! We appreciate all the ways you support us.

Hello, my name is Kristin Wilson, and I am the new branch manager at the Lucas Branch Library. I grew up in the Loudonville/Perrysville School District and worked as the Loudonville Public Library Youth Services manager for 8 years before coming to Lucas. I am excited to join your community and to find new opportunities to serve you.

We are excited to have our Summer Library Program back this year. Our theme is Tails and Tales and will feature fun animal crafts and take home projects for all ages! Kids can enjoy storytimes at 10:30am on Tuesdays at the Lucas Community Center. Do not miss the "My Pet is Awesome" photo contest from June 14-July 17. Simply send your favorite pet photo to youthservices@mrcpl.org. Make sure to include your name, age and most used library branch. All submissions will be featured on our website, and participants will receive a small prize.

Adults, we have programs for you too! Trivia Night at Phoenix Brewing Co. July 20 6:30 pm Doors open at 5:30pm, space is limited, teams of 5 or less. Watercolor Painting for Beginners, July 15 6:00 pm Zoom event. Register by calling 419-892-2576 or visiting www.mrcpl.org/events.

Finally, don't forget kids can eat for free from 12:30-1:30 at our Madison, Main and Plymouth locations all summer long.

You can find a full schedule of programs for all locations of MRCPL on our website www.mrcpl.org/events or stop by the branch for a copy. We hope to see you soon at the Lucas Branch Library!

Sports Update:

Baseball 14-11 (7-1)

The Lucas Baseball team completed a very successful season this spring as they picked up the first conference title since 1994. The Cubs finished the season at 14-11 and went 7-1 in the MBC. The Cubs did not know what to expect this season as they did not get to have a season last year. Under 1st year head Coach Courtney Church the Cubs definitely exceeded expectations and look forward to building onto the success they had this year for future years to come.

Softball 9-15 (4-4)

The Lucas Girls softball team was very young this year as they had a lot of youth and inexperience especially with missing out on a season last year. The girls still had a very good season picking up another Sectional Title when they knocked off Norwalk St. Paul by a final of 11-10. The Lady Cubs will look to bounce back next year with quite a few girls with Varsity experience.

High School Summer Office Hours

The High School Office will be close the month of July. Regular office hours will resume on Monday August 2nd from 8:00 AM - 4:00 PM

Back to School

Lucas High School opens its doors for the 2021-2022 school year on Wednesday August 18th with classes beginning at 8:33 AM

Track and Field

The HS Track and Field teams had another very successful season as well. The Lady Cubs finished as Runner up at the MBC meet in Loudonville this year. The Cubs sent (Junior) Grant Barrett to the Regional meet competing in the discus where he placed 7th. The Girls 4x200 (MK Rannigan, Alaina Stone, Jamie Grover, and Shelby Grover) qualified for the Regional Finals, and (Sophomore) Shelby Grover placed 9th in the Long Jump. Shelby Grover will be representing Lucas at the State Track Meet as she has qualified in the 110M and 300M hurdles. Great Season Cubs and best of Luck to Shelby at State!
