Message from the Superintendent

The Holidays are upon us! This year will present new challenges to all as we find new and creative ways to share this time with friends and family. This time of year allows us to celebrate and be thankful for the blessings we enjoy. There is a lot to be thankful for in Lucas. Our school district is blessed to have many great people and organizations associated with our daily operations.

The Ohio School Board Association (OSBA) recently bestowed two awards honoring our community. Each fall the OSBA Central Region acknowledges exemplary school employees and friends of public education. For Lucas, Mark Sauder received the exemplary school employee award and the Lucas School Sustaining Fund (LSSF) received the friend of public education award. The Lucas Local Board of Education nominated and recommended Sauder and the LSSF for these awards. Upon review of the applications submitted throughout the OSBA Central Region, the Central Region Executive Committee selects the award recipients.

Mark Sauder: OSBA Central Region Exemplary Employee

As we all know, transportation is an essential function for any school district. Mark Sauder makes the essential look easy at Lucas Local Schools. Mark serves as the Transportation Supervisor and Mechanic for Lucas Local Schools. He handles any and all things related to transportation. Mark has a great range of abilities. Whether the task calls for mechanical skills, such as fixing brakes or people skills, such as talking with a parent, Mark has it covered. Mark's greatest skill may simply be his positive "can do" attitude. His positivity assures confidence among his fellow district employees, and provides a great example for others.

For over 26 years, Mark Sauder has been a reliable fixture in the successful operations of Lucas Local Schools. We count on him every day, and we look forward to the continuation of his exemplary leadership for years to come!

LSSF: OSBA Central Region Friend of Public Education

Through the generosity of a Lucas graduate, the Lucas School Sustaining Fund (LSSF) came to fruition in 2005. The Richland County Foundation manages the LSSF's substantial assets. Designated funds benefit the Lucas Local School District in the following manner:

- Benefit all students enrolled in Lucas Schools
- Strengthen Lucas Schools by funding programs which ensure excellence in the classroom
- Build a supplementary, non-tax base of financial support for Lucas Schools
- Create new resources for enrichment activities for all Lucas Students
- Establish a closer tie between the community and Lucas Schools
- Establish creative partnerships between Fund donors and Lucas Schools
- Provide additional academic related support to teachers and students
- Provide a vehicle for Lucas Alumni to be involved with Lucas Schools
- Enhance Lucas Schools to attract businesses and people to locate in the Lucas School District
- Provide financial support for the longevity of the school district

The LSSF has a nine member Board of Governors, comprised of community volunteers, responsible for its operations. The fund operates outside the control of the Lucas Board of Education.

Since its inception 15 years ago, the LSSF has provided educational grants totaling almost \$370,000. These grants have provided things like virtual supplemental educational curriculum, Chromebooks, library furniture, audio/visual upgrades for large meeting spaces, and interactive whiteboards for all teachers with the desire to have one. The generosity and support of this great organization is unmatched!

As I stated before, we have many reasons to be thankful. I know this pandemic has taken a toll on everyone. I hope during this holiday season that everyone is able to reflect on their own experiences from this past year and find reasons to celebrate. I think we all need to find something positive to lift our spirits. I know our strong and dedicated community lifts my spirits on a daily basis, and I appreciate the ongoing support for Lucas Local Schools. I wish everyone a safe and happy holiday season!

Brad Herman
Superintendent

Transportation News

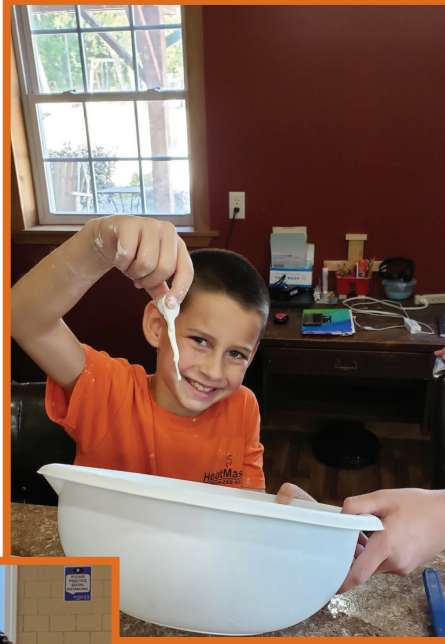

As we approach inclement weather season of the year, I would like to give you information about some factors that go into school closing/delay decisions. Generally, most the current weather and forecast is the most important factor in decision making. There is communication with our local Township, while County and State routes are also checked. We communicate with other surrounding school districts too. Although conditions may be fine on one end of the district, they may not be in another part of the district. In addition, not all levels (State, County, Township, and Village) of roadways may be cleared. We try to communicate the need for closure or delay in a timely manner to the public, but please remember weather and road conditions can change rapidly. We appreciate your support.

Mark Sauder, Transportation Supervisor

ELEMENTARY NEWS

As they learn about solids, liquids and gases, Mrs. Otero's second graders spend time during their blended learning week making oobleck at home.

Miss Dangerfield leads a class in a rhythm lesson as they practice playing the beat with boomwhackers.

While reading Paul Fleishman's story Seedfolks, Mrs. Peters' class created a visual comprehension plot.

During blended-learning, kindergarten teacher, Mrs. Secrist, simultaneously led her remote student and in class students through a Heggerty lesson.

ELEMENTARY NEWS

Before the start of the 2020-2021 school year, the Lucas Elementary Teachers greeted their students during a drive by School Supply Drop.

Thank you to the Lucas Schools Sustaining Fund for funding the vinyl covering to the Elementary and Middle School buildings. Not only do they add a level of security, they also bring a vibrant feel of school spirit to our visitors.

The FCS class is taking full advantage of in person learning. Students learned how to make a healthier version of chicken nuggets from scratch in Culinary Fundamentals.

Scholarship Opportunity

**The new Mt. Zion Lutheran Church
Memorial Scholarship
(effective Feb. 1, 2020)**

\$500.00

Mt. Zion Lutheran Church is pleased to announce the recipient of our newly created scholarship – the Mt. Zion Lutheran Church Memorial Scholarship – to Kayla Hignite. Kayla will be able to use the \$500.00 for her post secondary education.

Realizing there are several other area scholarships that focus on GPA (grade point average), athletic ability, or other academic activities, Mt. Zion created this scholarship to showcase students whose character and community service deserve recognition in themselves. This scholarship was specifically designed so that members

of Mt Zion Church were NOT eligible to apply, and that GPA would not be required on the application. A recommendation by a representative group of teachers, guidance counselor and/or principal was given to Mt. Zion Council representatives, who along with another congregant, made its decision based on the school personnel ranking.

We are thankful for all those who applied for this scholarship. It was not an easy choice. All the applications were outstanding – a testament to the Lucas Senior Class of 2020!

Mt. Zion looks forward to continue helping out in the community and to serving future graduating seniors from Lucas. Anyone wishing to specifically contribute to this scholarship fund may do so by contacting the church. Thank you!

HIGH SCHOOL NEWS

Yearbook News - Community Help Needed

Community members can submit photos online by going to images.jostens.com. Follow the directions and use the login ID: 415469170.

Maddison Spohn showing her lambs at the Richland County Fair.

Please be sure to send photos in their actual size. We need close-up photos of athletes, Pioneer students, and students working from home through the remote learning option. The deadline for fall submissions is November 2.

School Portraits for All: School photos will be used in the yearbook and to create club photos this year. It is important that ALL students participate (LHS, CCP, PCTC, and VLA). In addition to their school photo, seniors may also submit their own senior photos. These should be full size JPEG files and can be emailed to schuster.sara@lucascubs.org before January 8, 2021.

Fundraising: Ad space in the 2021 edition is available to parents and businesses starting at \$15. The staff is also selling back editions of the yearbook from 1995-2020. Contact schuster.sara@lucascubs.org for more information.

Cameron Kegley Named Pioneer Student of the Month

Pioneer Career and Technology Center announces Cameron Kegley as our September 2020 Student of the Month.

Cameron is a enrolled in the Engineering Design Technology program at Pioneer. He was nominated by his EDT instructor, Matt Hanning. He is a senior from Lucas High School and is the son of Jamie Dearing.

Cameron plays baseball and basketball at Lucas High School and is in the Leo Club. As an early job placement student, Cameron is working at TLC Kanvas Designs in Mansfield.

According to Cameron, Pioneer gives you a head start on your career. His advice to future students is to use every second wisely to learn as much as you can to pursue your career path.

Cameron is undecided about his plans for the future.

LUCAS FFA

Vegetable Table our students set up at the fair.

Lucas FFA during the 2020-21 school year has already been working hard on projects and activities. In addition to working hard we are excited this year to be extending our programming into the 8th grade and have over 55 members enrolled in our program.

Maddison Spohn showed Lambs at the 2020 Richland County Fair this past August where she broke and set a new market lamb sale record. "I love and enjoy taking animals to the fair and my goal is to influence other kids to take animals," Maddison said, "I would also like to thank my buyers Milliron Iron and Metal, Philips Manufacturing, and Sportsmens Den"

On September 13, the Lucas FFA worked on decorating vegetable tables for the Bellville Street fair. Jacob Gribben, Naveah McDermott, Trenton Gallaway, Xena Janeczek, Ty Lehnhart, Brevin Shaffer, Elisabeth Rollison, and Jadon Walter all showed up to this event to help. Everyone worked together to organize the fruit at the school and get everything loaded for transport to Bellville. Once there we were able to set up the table, get vegetables labeled, and clean up before lunch. Donuts were provided and Jadon and Brevin decided to celebrate our success with a donut-eating contest. Brevin ended up beating Jadon 6 donuts to 5 donuts.

Lucas FFA hosted the Richland County Soils Judging Contest. We hosted it at Roger Maglott's field and would like to thank him and Aaron Maglott for digging the judging pits as well as working with the Lucas FFA and the Richland County Department of Health to make this event happen. Shelby, Crestview, Plymouth, Clearfork, Lucas and Pioneer all attended the contest this year and everyone seemed to enjoy their time out in the pits. Overall, it went extremely well with new safety regulations put into place.

The 2020-21 Lucas FFA officer team consists of President- Maddison Spohn (Senior), Vice President- Alaina Stone (Freshman), Secretary- Elisabeth Rollison (Sophomore), Treasurer- Jadon Walter (Sophomore), Reporter- Xena Janeczek (Sophomore), Sentinel – Brevin Shaffer (Sophomore),

Student Advisor – Jorja Chamberlain (Junior), Historian – Ty Lehnhart (Sophomore), Parliamentarian – Conner Riffle (Eighth Grade), Farm Manager – Trenton Gallaway (Sophomore).

The officer team as well as the rest of the Lucas FFA would like to let everyone know that we are doing a Fruit Sale this year. This is a big fundraiser from us and is a great product that anyone would like. If you would like to place an order or find out what all products are being offered, please call Mr. Dotson at the high school (419) 892 - 2338 ext. 21322.

Organized and written by Xena Janeczek (Reporter) with help from the Lucas FFA Officer Team

LUCAS FFA ALUMNI

The Lucas FFA Alumni would like to share with the community what we have been up to during this crazy Covid directed year. Even with all the restrictions our generous community came through once again. We were able to raise close to \$12,000 to support the FFA and 4-H youth in the Lucas Community who show animals at the Richland and Bellville Street Fairs. We help to make sure any child in our district who is raising livestock makes a profit on their project and recognize their desire to learn about agriculture. As a club, we were blessed to see the support of our local businesses rally around our cause and donate despite financial hardships. We would like to thank all of you who supported our cause this summer and especially Pinhook Meats for their generous support this year. We encourage everyone to stop by and thank our donors while shopping local this year!

Our Club, which any interested party can join, typically meets once a month and are always looking for new members who would like to help us. If you would like to know more, please contact Matt Dotson at the Lucas High School (419) 892 - 2338 ext. 21322.

Again, thanks for all the support...we are proud to be a part of and serve the Lucas Community!

Community News

Lucas Area Food Pantry: As most of you probably already know, Bill and I retired as Directors of the pantry after almost 12 years volunteering in that capacity. September 30th was our last official day. We are going to remain available for help as needed. After the new Director (Janet McGugin) gets settled in we will probably be showing up as just regular volunteers.

LAMA, Bill and I were the original ones to get the pantry up and running and it is hard to leave, but everything has its time and now is that time for us. We want to thank the Pastors of LAMA, the congregations of the 6 Churches of LAMA, other Churches in the community, the volunteers, the community and surrounding areas of Lucas, the Lucas schools, the vocational school and anyone else that prayed for the pantry, volunteered, donated groceries, donated money, donated other items, the LCC for housing us, everyone and anyone that came into contact with the pantry and us! It takes all of what was mentioned and more to make a pantry successful! And according to the Cleveland Food Bank we have been

successful in feeding a lot of families! We have been averaging 800-1,000 people each month and since the beginning the LAFP, according to the Greater Cleveland Food Bank's Statistics, the LAFP has given out 850,900 lbs of food. That's A LOT of food! Lucas you have done a wonderful job of feeding the people in need in our area!!! Bill and I have no doubt that the pantry will keep on doing its job well!!! If you would like to donate to the pantry our treasurer is Gina Gerich 1014 Chew Rd. Mansfield, OH 44903. Also as a reminder because of COVID we have not been able to give out clothing and household items. Unfortunately this will continue until after we can bring the clients back into the building. THANK YOU, THANK YOU, THANK YOU to you all for what you do for the LAFP and for helping Bill and I. The Village of Lucas is really a SPECIAL place to live!

- Bill and Janet Grubaugh, retired Directors of the LAFP

Lucas Community Center: The Lucas Community Center is up and running! Call 567-483-0001 to book your holiday events. Tuesday, December 1st National Day of Giving The LCC placed first in the Richland County Foundation/Richland Gives competition the last 2 years! Last year \$32,000. was donated through the generous giving of this small community with the BIG heart. Thank you for continuing to support this fundraising effort for the ongoing programs and maintenance of the LCC. Donations may be made through www.richlandgives.org Nov.16-Dec.1. Checks will be accepted by LCC board members: Amity Arnold, Carrie Fanello, Bill McFarland, Wayne Presnell, Brad Herman, Myrle Bechtel, Margaret Martin

FREE Christmas Dinner at LCC December 25th 11 - 2
EVERYONE WELCOME! Please Call Vickie Kirschenmann at 419-512-9969 to volunteer. She will accept donations and help for: food, small gifts

(men, women, children), set up, serving and delivery teams. Also, call Vickie to leave a name and address if you would like meals delivered to your home. **YMCA** exercise FREE with Amy Moore Tuesday & Thursday 9:30 - 10:30 am and Friday 9:30 - 10:15 am **Lions Club** 1st and 3rd Thursday at 6:30 pm **LAMA** 2nd Wednesday 9:00 am **Community Chapel** 2nd Thursday 7:00 pm **Cards** every Monday 7 - 9 pm **Food Pantry** Saturday 9-11am November 21st; December 19th; January 9th and 23rd. **Open Door Cafe** - Brenda's specials are posted on our sign and Facebook - Come and enjoy! Senior citizens or Homebound may call Kelli at 419-892-3000 for FREE delivery M, W, F 3-5 pm!

Remember to use AmazonSmile for your online purchases and mark the Lucas Community Center for your charity donation! Thank you!! We appreciate all the ways you support us.

Lucas Library: I am happy to report that a lot has changed at the library since writing the last Cub Country article in May! We have been open and available for browsing since June with limited hours and continue to add more programming. For the time being the Lucas Branch's hours are Mon, Tues, & Thurs 10-6, Wed & Fri 10-5, and Sat 10-2, but beginning in October the Main Library and the Ontario, Lexington, Bellville, and Madison branches will be extending their hours to be open until 8:00 on select weekdays. All locations continue to offer curbside services as well. We've continued to "beef up" virtual programming and hands on take-home kits, as well as begin to slowly offer additional in-person programming for a variety of ages and interests at several locations each month. At all locations starting November 23 adults can register for a Crafty Attic DIY Holiday Ornament take-home kit, teens and tweens can stop by starting Nov 2 to pick up a Glittery Glass Candle Holder take-home kit and on Nov 16 for a Tassle Keychain take-home kit. Kids can participate in our Turkey Coloring Contest, try some Junk Drawer Science experiments, or participate in storytime all month long. Please stop in, call us at 419-892-2576, or visit www.mrcpl.org for the most up to date information. We are also excited to continue expanding our "Library of Things" collection, with the addition of board games! You'll find games for a wide variety of ages, skill levels, and interests. Check one out to share with family and friends this holiday season. You may also want to check out some of our other Library of Things items such as power tools, musical instruments, a telescope, or specialized cake pans! October was my last month in my role as the Lucas Branch manager. I am beginning a new adventure of being a full-time mom and staying home with my little ones. I am so appreciative of the opportunity to have served the Lucas community, and am looking forward to being a library customer right along with you. Thank you, Lucas for your continued support! - Amanda Doan, Lucas Library Branch Manager

Lucas Lions Club: Slowly our Lions Club is emerging from the social hole created by the Virus. There is an endless list of what we were not able to do this past Fall, but we are going to be okay. Being okay requires lots of combined energy and more creativity than we knew we had, but we are surviving! The new venue for the Halloween Parade was great fun and the LCC was a helpful host for our masquerade contest and the lighting was so much better. Thank you all for making the adjustment, and we are grateful for your willingness to try something new. The Christmas Tree Lighting is our next community activity, and it always makes all of us happy to have our safe, warm close-knit community in which to share the Holiday Spirit. Earlier this year we moved away from our immediate

area of service and twice provided "grab and go" lunches at the pavilion on Bowman Street in Mansfield for homeless or anyone else who may be in need. And probably our most noteworthy activity was the initiation of seven new members to our group. We are pleased to welcome Amanda Doan, Brian Foltz, Amanda and Brad Howell, Jim and Lee Ann Roland, and Erika Smith. What a fine addition! They are all here to help us "Serve." We elected not to be involved in the Prairie Peddler this year which is our most lucrative fundraiser, but we are learning how to be a valuable asset to our community even if our budget is slimmer than usual. If you have a way to serve which we have not done, please tell one of us. We will certainly be grateful for your interest and we gladly listen.
