

Lucas Ohio CUB COUNTRY NEWSLETTER

S U M M E R 2 0 1 7 - 2 0 1 8 • V O L 3

As we close the 2017-2018 school year, I want to thank the Lucas community for a warm welcome! I have lived in small towns all of my life, and Lucas feels like home. Lucas is a warm, safe, and loving community, but we must remain vigilant when it comes to the safety of our children. Throughout this past school year, school safety was thrust to the forefront of all of our minds. As our dedicated team of educational professionals continue to monitor and look for ways to enhance school safety, it is important to note the many safety practices that are currently in place. Each building has a buzzer system at the main entrance to manage visitors, as well as a MARCS radio to communicate directly with First Responders. Buildings are also equipped both inside and outside with cameras to monitor safety concerns. Local Emergency Management and the Ohio Department of Education have approved an Emergency Operation Plan for the entire district and each of the buildings. Staff and students exercise these plans annually through various drills during the school year. This past year students in grades 5-12 engaged in learning about their "digital footprint" and social media safety. The Elementary school enhanced drop-off/pick-up procedures. Our staff has participated in safety discussions at the building level, and the district leadership has been in collaboration with local First Responders regarding future safety planning.

In August, local trainers will engage all Lucas Local Schools personnel in ALICE training. The ALICE acronym stands for Alert, Lockdown, Inform, Counter, and Evacuate. This program provides preparation and planning for organizations, like Lucas Local Schools and its personnel, to handle safety threats in a proactive manner.

Lucas Local Schools is a safe environment for the children of our community, and our dedicated educational team will continue to make school safety a priority.

Again, I appreciate you welcoming me to Lucas. Thank you for a great school year and enjoy the summer! As always, please contact my office if you have any questions or concerns.

Sincerely,
Bradley A. Herman
Superintendent

FFA ALUMNI NEWS

The Lucas FFA Alumni is very thankful to the Lucas Community during the 2018 spring season for all the help financially and in support of our local FFA Chapter in the purchase of strawberries in March, attending and purchasing Swiss steak dinners in March, and attending the donkey basketball game in April. It is even nice to know our local Chapter's team won the basketball game and we thank all who participated. Funds made from the events are used to help our FFA chapter attend leadership activities such as State and National conventions and special leadership workshops around the State as well as supporting their educational efforts by supplying supplies and equipment for the classroom. Thank You so Very Much for your continued help in our efforts for our FFA Chapter.

FFA Alumni Chapter Secretary

DEAN'S LIST CORRECTION

Ryan Cook, a 2016 Lucas graduate made the Dean's List for the Fall and Spring Quarters at University of Findlay Pharmacy School.

Ryan carried 22 credit hours both semesters, quite an accomplishment. He will be starting his internship this summer or fall.

Awesome Job Ryan!!

Congratulations Cubs!

LUCAS FFA ALUMNI BUYERS CLUB 2018 RICHLAND COUNTY FAIR

It is hard to believe as we just enter the summer season but the county fair will be here sooner than we are ready for it to happen. In fact, the fair is scheduled for August 5th through 11th. Our buyers' club will be gearing up to help our 4-H and FFA students to have a good sale of their market animals which are already in the process of being raised. We will soon be accepting any donations towards this cause from local businesses and individuals. These funds help us purchase student's livestock at a better price than they would get at the regular market which then helps them in getting projects ready for next year or to be put in a college fund. The goal is to encourage our agricultural youth to invest in projects which help them to grow in their

knowledge of raising livestock for the human food chain while they are supervised by their advisor's and parents. If you are so inclined to help us, donations can be mailed and would be accepted through August 7, 2018. You will receive a nice thank you from the student you helped and be listed in next year's fair book as a buyer.

The address to mail is:

Lucas FFA Alumni Buyers Club
c/o Lucas Local School District
84 Lucas North Road
Lucas, Ohio 44843

Thank you very much!

SPRING MUSIC PERFORMANCES

Middle School Arts Night

Congratulations to all 6th and 7th grade drama, musical theatre, band, and choir students on a job well done at the Middle School Arts Night performance on April 19th. Students should start thinking about how to continue their musical careers next year. High school band and choir classes are available to all students entering the 8th grade next year, and are a great way to keep your academic schedule fresh, fun, and energized!

Elementary 3-5 Concert

Elementary students in grades 3 to 5 will be performing on the evening of May 17th at 6:30pm in the Middle School Gym. This is the first time students of this level have been involved in a spring concert for a long time, so this is an exciting time to be in one of these grades! The concert will feature a variety of musical performances, including 4th grade recorders, 5th grade band, and vocal groups from multiple grade levels.

High School Spring Concert

The high school concert band, concert choir, and show choir will be putting on their yearly culminating performance on Saturday, May 19th in the high school band room. The show will start at 7:00pm. Everyone is invited to attend and stay after the show for refreshments and treats provided by the Lucas Music Boosters.

Looking Ahead to Next Year - Quick Thoughts

5th Grade - Band begins! Start thinking about what instrument you want to play. Students interested in joining can start on trumpet, trombone, baritone, alto sax, clarinet, flute, or percussion kit.
6th/7th Grade - Remember that you can take more than one Performing Arts class. Students are encouraged to branch out musically and enroll in any or all of the three classes offered.
8th Grade - Now that you finished off those required Performing Arts classes, this is your time to shine! Don't let your talent go to waste.

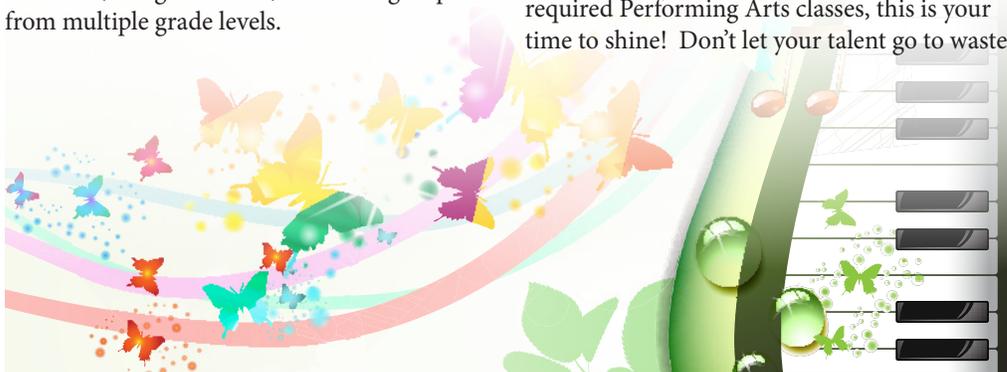

Be sure to enroll in band or choir. These high school elective classes will likely lead to some of your most fond memories of high school! 9th-12th Grade - Show Choir and Jazz Band are wide open to new students! These classes are great for newbies and advanced musicians alike. Don't let these fun offerings fall by the wayside. Talk to Mrs. Mongold to spice up your schedule today!

Lucas Heritage Library 7th Annual Reading Rally

On May 4th, 2018, Lucas students grades 2 - 6 celebrated their reading accomplishments and participated in the 7th Annual Reading Rally. The students were recognized for their reading achievements this year by having an assembly in the gym complete with music and prizes.

We celebrated the fact that students, grades 2 - 6, read 72,691,872 words over the course of the year with 6,056 AR quizzes taken! The top AR point earner for the school was Lyle Endsley with 243.1 points. The 2nd top AR point earner was Daniel Hockensmith with 234.8 points. The 3rd top AR point earner was Serenity Perry with 220 points.

During our Reading Rally, we had the Richland County Humane Society visit. We also had a pet supply drive and were able to donate to them 343 lbs of dry dog/puppy food, 60 lbs of wet dog food, 205 lbs of dry cat/kitten food, 23 lbs wet cat food, 243 lbs cat litter, 30 lbs dog treats, 3 lbs cat treats, 46

dog toys, 34 cat toys, 78 collars/leashes, and a few trunk loads of newspapers! We also had a

huge prize raffle. We awarded over 150 prizes during the raffle. The students earned raffle tickets by meeting their teacher's AR point goal each quarter. Students were able to earn extra tickets by earning points beyond their goal.

We would like to thank our prize donors who were so generous and really made the Reading Rally an exciting event for everyone. Prize donors include Oriental Trading, Cleveland Browns, Akron Rubberducks, Cleveland Monsters, Cleveland Cavaliers, African Safari Wildlife Park, Little Buckeye Museum, Robert Berry, D.C., The Infield, Mohican Adventures, Dairy Queen, Fin Feather and Fur, Jones Potato Chips, Eva's Treats, Gionino's Pizzeria, Target, Altitude Trampoline Park, Otterbox, Chipotle, Cinemark Theaters, Richland Carrousel Park, and the Lucas School Sustaining Fund.

Thanks to everyone who helped make this a memorable event for our students!

LUCAS AREA FOOD PANTRY

If you have planted a garden this year and when harvest time arrives you see you have an overabundance of produce why not share it with those in need through the Lucas Area Food Pantry?

We are now located in the LCC building.

Just load up your extra produce and bring it to us on the 2nd Friday morning before 11 am or early the 2nd Saturday morning of each month.

June 8th & 9th - June 22nd & 23rd

July 13th & 14th - 27th & 28th

August 10th & 11th - 24th & 25th

September 7th & 8th - 21st & 22nd

The end of February of this year the director of the LAFP was very surprised to be asked by the Greater Cleveland Food Bank to fly to Washington DC and talk to some Congressmen about funding for those in need. *It turned out to be an amazing day!*

We, the GCFB official and LAFP director, met in each of the Congressman's offices. We gave them information about why people are in need and shared some stories about some families in need. The main information the LAFP wanted to explain to the Congressmen/women was how pantries could not do what they do without the Food Banks.

For instance in 2017 in the LAFP were to have purchased their groceries from a retailer, such as a grocery store or big box store we would have had to spend \$241,000.00 for the groceries for that year.

By purchasing those same groceries from the GCFB we spent a little over \$16,000.00. The LAFP told the Congress people they could see that the pantries would not be able to do what they do without the Food Banks.

As you just read it takes a lot of financing to do what we do.

If you would like to send a donation, please send it to . . .

Thank you for your thoughts, prayers and donations.

Lucas Branch Library

Congratulations on wrapping up another successful school year. We're very proud of all the academic and extracurricular accomplishments that the kids at Lucas Schools achieved this year. Now, summer is here and we're really excited for the Summer Library Program!

For children, SLP promotes reading, drawing, writing, playing, learning and much more. Teens are also encouraged to read and to be inspired. Like the kids, adults will enjoy chances to win fun weekly rewards and amazing grand prizes each time you read a book or engage in an activity at the library. Our mission is for you to have lots of FUN!

The theme this summer is "Libraries Rock!" and we'll explore imaginative ways to celebrate music. The SLP festivities kick off on June 4 and run through the end of July. We have craft and game programs on Thursdays at the Lucas branch for school aged children, starting with "Rocks Rock!" on June 21 at 2:30 PM.

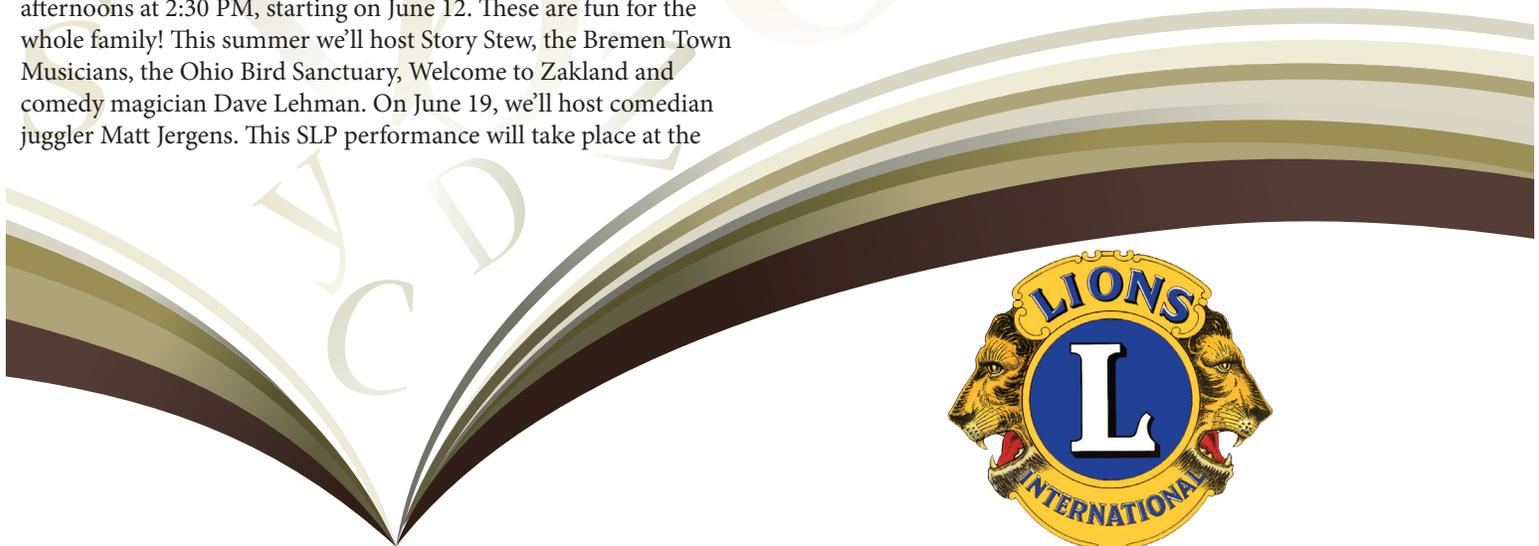

We also have a fantastic slate of performers to engage the kids this summer. Our performances will take place on Tuesday afternoons at 2:30 PM, starting on June 12. These are fun for the whole family! This summer we'll host Story Stew, the Bremen Town Musicians, the Ohio Bird Sanctuary, Welcome to Zakland and comedy magician Dave Lehman. On June 19, we'll host comedian juggler Matt Jergens. This SLP performance will take place at the

Lucas Community Center at 2:30 PM. Thanks LCC for collaborating with the library again this summer!

Our goal is entertain the Lucas community and keep you all engaged in reading and discovery activities this summer. The more you participate in SLP related activities the more chances you'll have to win great prizes including restaurant gift cards, 40" flat screen TV's, Go Pro cameras and so much more!

This summer we'll also sponsor the "Dress Like a Rock Star" contest for children pre-K through grade 6. You can find a full schedule of programs for all locations of the Mansfield/Richland County Library on our website at www.mrcpl.org or stop by the branch for a copy. We hope to see you soon at the Lucas Branch Library!

GREETINGS FROM THE LUCAS LIONS:

Welcome to Summer!! Did you enjoy Spring? I took a nap last week and missed it!!

Well, we've come to the end of another year – both the school year and the Lions year, which is July 1 thru June 30. The Lions have had our officer training, district convention, swearing in of new officers, and will now enter our summer schedule, which is a monthly meeting in the Park on the third Thursday of June, July and August, centered on a pot-luck picnic supper. Of course during this time we will start the planning for our fall fund-raising events, Heritage Days at Malabar Farm and Prairie Peddler in the Butler area. You'll see notices of these events around the area as the time gets closer.

Recently (like 'yesterday' as I write this) the Lions were proud to present some awards to deserving students in the school system. The

first were our "GOOD Awards" presented to four students in the fifth grade, rewarding good citizenship, good scholarship and a 'don't give up' attitude. Later on, the three Lions Scholarships were presented to graduating seniors to assist in their college education: The Lions Club Scholarship was awarded to Jackson Hauger, the Richard E. Arehart Memorial Scholarship was awarded to Kaleigh Kerr, and the Duane Berry Memorial Scholarship was awarded to Elizabeth Yirga. Earlier in the year the winners of the Lions Peace Poster Contests were Morgan Alberty and Emily Kleilein. Our heartiest congratulations to all!

Our next community-wide event will be our Community Picnic-in-the-Park, to be held Thursday August 16 in the Park. Burgers, hot dogs and all the trimmings for local residents as

our Thank-You for supporting the Lions Club throughout the year. And don't forget the Duck Race!! Hope to see you all there!

Our club is always looking for folks who would be seriously interested in joining us in our service to the community. If you are interested in learning more about becoming a Lion, we invite you to call either Membership Chairman Lion Bill Spohn, 419-892-2640, or President Lion Bill Grubaugh, 419-589-9776, or any Lions Club member (surely you know one!!). If you'd like to join us at one of our meetings, they are held the 1st and 3rd Thursday each month at 6:30pm in the Lucas Community Center (for the Summer schedule, see above). Call one of these folks for an invite. We really like to have guests! Give us a call and come visit!
