A MESSAGE FROM THE SUPERINTENDENT

Governor Mike DeWine and Lieutenant Governor John Husted have proclaimed January as School Board Recognition Month. In honor of this proclamation, I want to take time to recognize the Lucas Local school board members. School board members are ordinary people, who have an extraordinary dedication to our public schools and are often our neighbors. They work tirelessly to ensure our district has equitable and adequate educational programming for all students. Let's meet our board and get to know more about them. Please help me to recognize their service. The next time you see them, tell them "thank you" for their effort.

Go Cubs!

HIGH SCHOOL NEWS

The FCCLA students attended the regional FCCLA leadership conference at Mid-Ohio Education Center. Students hosted a session encouraging attendees to create Christmas cards for military members over seas. Students left the conference empowered to make a difference in the world through their outreach in their school, community, and even different parts of the world!

BRING IT SHELBY!

Lucas Senior Shelby Grover has yet again reached another milestone in her athletic career here at Lucas HS. She recently scored her 1000th career point in a home victory over Crestline. Shelby has become just the 6th player in Lucas girls basketball history to reach this milestone. She needed just 23 points and was able to score 23 exactly in a 42-19 victory over Crestline on January 7th in Lucas. She was able to reach the milestone here at home in front of a home crowd and all of her family and friends.

On January 14 in front of large crowd in the Cub Cave Shelby was front and center again as she signed her Letter of Intent to continue her academic and athletic career at Kent State University. The Lucas boys basketball team was hosting Colonel Crawford and at half time of the varsity contest Shelby signed her National Letter of Intent as she will enroll at Kent State University next fall where she will continue her track career.

We are extremely proud of Shelby and have high hopes for her final track season this spring but also would like to wish her well next year at Kent State!!

The Career & College Readiness and the Personal Finance classes visited Ashland University to learn about what college has to offer! Students talked with admissions, toured campus, and got to experience the amazing food AU has to offer.

DEANS LIST

Grant Barrett

2022 Fall Semester Dean's List at Ashland University

The FCCLA students attended the National Fall Conference in Columbus! The students engaged in several workshops to develop their leadership skills and learned ways to be successful and healthy when tackling the real world.

The FCS Culinary Fundamentals class provided their annual Thanksgiving lunch for the High School staff! Students planned, prepped, & cooked the entire meal!

COOKIE/ CUPCAKE WARS

The annual FCS cupcake/cookie wars took place in the Family and Consumer Science classes. The students had the task of teaching others about safe driving with a Christmas theme!

The 2022 winners

Best Tasting Cookie

Jersee Brightbill

with a ginger snap cookie.

Best Tasting Cupcake

Amaya Howard, Emma Hamm, and Katie Reznik

with a gingerbread cupcake and cream cheese frosting.

Best Display

Izzy Iceman, Emma Hamm, and Chloe Sturts.

This group focused on being cautious while driving. They created a board titled "The Weather Outside is Frightful" and gave insight as to different weather conditions and how to handle them when driving to stay safe and avoid accidents.

OHIO BIRD SANCTUARY

After learning about living things, first graders went to the Ohio Bird Sanctuary with the help from our Sustaining Fund. The students got to go see live birds and learn about their different survival traits. We learned about American Kestrels, Barn Owls, Eastern Screech Owls, Red Tailed Hawks, and Vultures. The students were also able to take a nature walk which had obstacles for the students to walk on or through. These obstacles taught the students how birds have to maneuver through tall buildings and trees. Learning also took place in the treehouse as well. Thank you to our Sustaining Fund who made this learning possible!

VOLUME ZOO

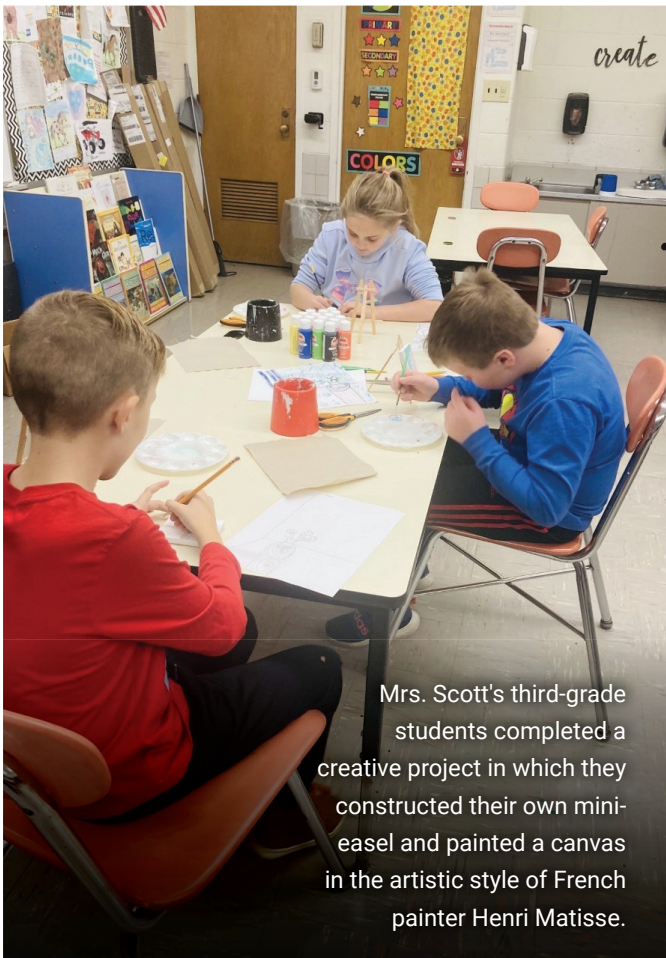

Mrs. Rosales 4th grade math students explore division playing a game where they are working to create equal groups.

6th grade students present their "Shark Tank" projects to end the economics unit in social studies.

Marilyn McFarland represents Altrusa International of Mansfield Foundation, INC bringing their monthly reading program in to Lucas first grade classrooms. Through the program Mrs. McFarland gifts the students one book to keep at home after conducting a read aloud. *Thank you Altrusa for putting books into our students hands!*

Mrs. Scott's third-grade students completed a creative project in which they constructed their own mini-easel and painted a canvas in the artistic style of French painter Henri Matisse.

Mrs. Moomaw's 4th grade classes completed a History Lab in Social Studies. The students were placed into 4 roles: King of England, members of Parliament, tax collectors, and colonists. We used M&M's and tax task cards to create a tax simulation King George III placed on the American colonist during colonial times.

MEET THE BOARD MEMBERS

Amity Arnold

How many years have you served on the board? Three years.

Tell me about yourself – Mt Union College-Alliance, OH, Kings College-Wilkes-Barre, PA, LCC Board Member, Member of Mt. Zion Lutheran Church, Physician Assistant, Married to Nate, 26 years, Children Jacob, Tristen & Keegan

What do you like to do in your spare time? Travel and Gardening

What is your favorite thing about being on the board? Opportunities to interact with students and stay involved with school activities.

Why are you proud of Lucas Schools? Students – after getting compliments from other schools, Staff – dedicated, hardworking, Community – supportive

Wayne Camp

How many years have you served on the board? – Five years.

Tell me about yourself – 1976 graduate of Lucas High School. Married to Tamara 44 years. Have 3 children and 8 grandchildren. I also served as a custodian for Lucas Schools for 30 years. Coached track at Lucas 9 years, cross country 4 years, 1 year Junior High basketball. Longtime member of Lucas Grace Bible Church.

What do you like to do in your spare time? – Coach track, exercise, walking, reading, attending my grand children's activities.

What is your favorite thing about being on the board? – Making decisions for the benefit of the students at Lucas Schools.

Why are you proud of Lucas Schools? – The students and families of the community are supportive of student activities and well-being. We have students that go on to be productive adults and contribute to the positive influences that make their communities successful.

Timothy Cooper

How many years have you served on the board? Twenty-one years

Tell me about yourself – Born and raised in Lucas, graduated in 1979. Married to Tammy for 42 years, 2 kids. Work for Pepsi for 43 years.

What do you like to do in your spare time? Spending time with family, golf, attending high school sports events. Not only Lucas, but anywhere there is a good high school match up.

What is your favorite thing about being on the board? Being able to support our staff, running efficient and effective meetings.

Why are you proud of Lucas Schools? Proud of the community support for our schools. Also proud of the academic achievement of our students, many have become very successful in their professions. I have said many times; we offer a great private school education in a public school setting.

Amy Cuthbertson

How many years have you served on the board? One year

Tell me about yourself – Married for 22 years to Derek, we have 3 kids, Kevin, Kyle and Katie. Graduated from Lexington High School. Graduated NCSC w/Associates in Paralegal and Ashland University for Business. I work at Snap On Industrial as a Regional Technical Solutions Manager covering the east coast.

What do you like to do in your spare time? I enjoy crafting and designing/making epoxy tumblers and engraved wooden gifts. I also enjoy traveling with my family to races.

What is your favorite thing about being on the board? My favorite thing about being on the board so far has been getting to build relationships with fellow board members, administration, teachers, staff, parents and students to collaborate and develop our district's high standards.

Why are you proud of Lucas Schools? I am proud that Lucas Schools has continued to be the center of our village! The school has always brought a feeling of connection and pride to the community which makes for a tight knit community. Our students exemplify our small town values and I regularly hear from other districts and teacher's what great kids we have.

Roger Maglott

How many years have you served on the board? Sixteen years

Tell me about yourself – Graduated from Lucas, Married 58 years to Janet. 4 sons, Craig deceased, Bryan, Aaron, Heath, 6 grandchildren, retired farmer

What do you like to do in your spare time? watching grandchildren's sporting events and showing their calves at the fair.

What is your favorite thing about being on the board? Being a good steward of the tax payer's money, which has been hard to do recently.

Why are you proud of Lucas Schools? I am proud of the education the students are getting and the number of successful Business people that came out of Lucas Schools. And last but not least, our teaching staff.

LUCAS AREA FOOD PANTRY

The Lucas Area Pantry had a very Merry Christmas. There were lots of donations from groups and individuals. Most impressive was the donation from the Lucas students.

They gave over 20 carts of food and hygiene products. Our shelves were overflowing. Because of all the donations we were able to give more products to those receiving food.

Due to our participation in the Meijer "Simply give" program we were able to give turkeys at Thanksgiving. Another large donation paid for hams at Christmas. We thank each and everyone who helps at the pantry or donates over 100 families benefit each time.

TRANSPORTATION NEWS:

As we approach inclement weather season of the year, I would like to give you information about some factors that go into school closing/delay decisions.

Generally, most the current weather and forecast is the most important factor in decision-making. There is communication with our local Township, while County and State routes are also checked. We communicate with other surrounding school districts too.

Although conditions may be fine on one end of the district, they may not be in another part of the district. In addition, not all levels (State, County, Township, and Village) of roadways may be cleared.

We try to communicate the need for closure or delay in a timely manner to the public, but please remember weather and road conditions can change rapidly.

We appreciate your support.

Mark Sauder, *Transportation Supervisor*

LUCAS LIONS

Our calendar year began with the pleasant task of awarding six academic scholarships to the Lucas grads of the class of '22 who successfully completed their first college semesters. The recipients were Grant Barrett, Patrick Bichsel, Jorja Chamberlain, Ryan Culler, Alexis Ohm and Molly Rannigan.

If you have been saving clean plastic and have dropped it off at any of the collection boxes around the village know the first bench is soon to be in place. It takes 500 pounds of the plastic film to make a bench and it keeps that same amount out of our landfills. We are continuing this worthwhile project so keep saving please.

Our next business will be to conduct the election of officers who will lead the club in the year of '23-'24. We look forward to what new opportunities they develop for us.

April 1st is a good date to be at the LCC for a new Lions fund raiser. Co-ed Bingo will be an exciting time for folks who come away with great prizes and a fun time from 5 - 8 pm. Look for ticket sales and more information on line & out in the community.

Earlier in the same day, April 1 at the elementary playground will be the annual Easter Egg Hunt. Also along with the kids' fun will be a kraft bag prepared by our own library and for everyone a great breakfast being offered in the school cafeteria by the FFA.

If this date should be rainy or otherwise nasty the make-up date is the following Saturday, April 8th.

Again we ask for your help. If you know of something in the community needing attention, please let us know. Mission for the Lions Club – SERVICE.

The Lucas Area Historical Society would like to invite everyone, young and older, to join us for meetings the second Monday of each month beginning in March. We begin at 7 p.m. in the Community Center and usually run about an hour unless we have a program or many interesting Lucas area artifacts for "show and tell". We also have had a person express interest in a Mid-Ohio Sports Car Club's event called the "Mohawk Hill Climb" during the 1960's and '70's. If you were part of that or have information, please come to the meeting and tell us your experience.

On Saturday, May 6th from 10 a.m. – 2 p.m., we would like to encourage you to stop into the Community Center during the RichHistory Weekend where we will be continuing our Veterans project to collect photos of all who have served our country during any conflict or peace time and live or lived in the area. We have many names, but not very many photos. For more information, please call Julia Crawford at **419-892-3394**. We look forward to seeing you. The veteran in this photo is Louis Bromfield who served in France during WWI.

LifeWise Academy Lucas opened its doors on October 31, 2022 with a great big community welcome! LifeWise is a Released Time Religious Instruction (RTRI) program that allows students to attend off-site, non-denominational, Bible-based classes with an emphasis on character education. RTRI classes are completely legal, adhering to both federal and state laws and growing in popularity around the state. Sixty-one+ Lucas Elementary Students attend LifeWise Academy on Mondays during their specials time. Students are bused to Foursquare Gospel Church in Lucas.

Students who attend LifeWise Academy have learned about gratitude, respect, obedience, courage, and joy through Bible Stories and Memory verses. Students play games, sing songs, and create a craft to help them learn! If you have any questions about LifeWise Academy Lucas, scan the QR code or go to LifewiseAcademy.org/lucasoh for more information.
