Mini-Grant Application

Dear teachers,

Following is the annual Lucas Academic Boosters mini-grant application for the upcoming school year. Mini-grants may be awarded up to a total of \$150 per application or in increments of \$150 for joint applications from multiple teachers. Completed applications are to be submitted to your building Principal at least two months in advance of need.

Decisions regarding mini-grants will be announced through your staff email following the summer/fall meeting of the Academic Boosters. Grant items provided through this grant will become property of the Lucas Local Schools and must remain at Lucas if/when a teacher leaves the District. If you have any questions or issues, please contact Gina Gerich at auntgg1967@aol.com.
